

JUST THE RIGHT SONG AT JUST THE RIGHT TIME

You know that the music at your party will have a tremendous impact on the success of your event. We know that it is so much more than just playing the right songs. It's playing the right songs **at the right time**. That skill will take a party from good to great every single time. That's what we want for you and your once in a lifetime celebration.

We succeed in this by taking the time to get to know you and your musical tastes. By the time your big day arrives, we will completely understand you, and be ready to go. Creating a positive and refined vibe during your cocktails and dinner; as well as a fun, festive and inclusive energy on your dance floor is our specialty. We're really good at this! You and your guests will be having a blast, all within your musical tastes.

MUSIC IDEAS FOR YOUR CELEBRATION

Our Music Lists represent only a tiny portion of our vast library. If you don't see it on our list, just let us know. If we don't already have it, we will make sure we do for your celebration. You do not need to choose all of the music. Choose as much or as little as you like. Your DJ is a trained professional experienced in creating a fun dancing atmosphere with all kinds of musical formats. When selecting music you can figure that approximately 12 to 15 songs can be played per hour. Consider asking family or good friends for a favorite song to add to the mix. Look over our Music Lists and **circle or highlight your favorites**. Cross out any categories or songs that you don't want. Because guests at your event will be of a variety of ages and backgrounds, we suggest that you choose a variety of music.

We recommend that you have music for cocktails and dinner as well as for dancing. This helps to create a great atmosphere for your guests upon their arrival and throughout the dinner. Some of the most popular cocktail/dinner music categories include Standards & Favorites, Sinatra Vs. Buble, Martini Lounge, Love Songs, Cosmopolitan and Modern Sounds.

Although we will gladly take requests at your event, **we consider it extremely important that we maintain the integrity of your music playlist by following your personal music directive.** We will respect your music choices, and program your format based on your personal musical selections.
